(exempt)

DID YOU ANSWER "YES" TO ALL 3 QUESTIONS?

HOW TO BENCHMARK AND DISCLOSE

1. Go to ENERGY STAR Portfolio Manager® website and sign-up to create a new account at <https://portfolio manager.energystar.gov>.
2. Contact your utility to confirm their procedures for providing the energy use data.
3. Benchmark the building's energy use via Portfolio Manager® at least 30 days prior to a transaction.
4. Produce a DATA VERIFICATION CHECKLIST report in Portfolio Manager.
5. Disclose the Data Verification Checklist to a prospective buyer, lessee, or lender at least 24 hours prior to a signature agreement.
6. Submit the Data Verification Checklist to the Energy Commission at ab1103report@energy.ca.gov within 30 days of producing the report.
